(Please see notes in the following page)
FOR ALL MAJORS: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

(1) HSCX100 is preferred at FAU.

(2) HSCX400 is required as a prerequisite for FAU. Other programs include First Aid/CPR in the upper division.
